

Ophthalmology Nursing Certificate Course

Sydney Hospital & Sydney Eye Hospital is proud to introduce a 16 week Ophthalmology Nursing Certificate Course commencing in 2012.

The Course is intended to prepare participants for a Clinical Nurse Specialist role in the field of Ophthalmology. This Course is a combination of student managed learning sessions with 16 days of face to face lectures, workshops and clinical practicum delivered on site at Sydney Hospital and Sydney Eye Hospital (SSEH).

Applications close: 2nd December 2011
